GLOVES

play a very important part in one’s dress and should be of a correct shade and cut. The red tan is still in high favor, yet there is a large demand for the new yellow tans and some browns. Castor gloves have made their appearance, two shades, tans and slates. We keep only the best foreign and domestic makes and guarantee each pair. Dress, walking or driving gloves at $1.50 or $2.00, in all shades. Fur-lined gloves in variety, Scotch wools, etc.
UNDERWEAR

to be effective should be of the weight and kind that the wearer requires. *We have them all*—pure wools, Balbriggans, merinos, silk-and-wool, Scotch wools, etc. All weights of everything in natural—white or fancy colors—short leg drawers. The double-breasted Hohenzollern sanitary underwear and many special ideas of finish and shape. Measure chest and waist for size. Tell us what you need as to weight, kind and price—*we can suit you*. All kinds of half-hose—special things at 25 and 50 cents. Natural wools, cottons, merinos; blacks, tans, etc.—all weights.
